FORMER STUDENTS

A former student is defined as a student who (1) has previously been enrolled in Memphis State but (2) was not enrolled during the Spring Semester. In order to gain re-admission for the Summer Semester, former students must take the following steps:

- (1) Obtain from the Records Office an application for readmission. Complete this application and return it to the Records Office.
- (2) Request the registrar of each college attended, if any, to mail an official transcript of credits to the Graduate Dean.

After the former student has completed the above procedure, he will be sent a notice of his readmission status by the Records Office.

REGISTRATION PROCEDURE

Only the general steps in the registration procedure are listed here. More specific instructions will be presented in an instruction sheet which will be issued with registration materials. Basically, the registration procedure consists of the following steps:

- (1) Secure registration materials.
- (2) Confer with faculty adviser to secure his guidance and approval in planning your schedule.
- (3) All students must present ID cards for admission to the registration center. Current students will use the cards they now have. New students, former students, and current students who have lost their ID cards will follow instructions accompanying the registration materials.
- (4) Enter the Registration Center at the time indicated on the Special Appointment Card in the registration material to secure class cards and pay fees.
- (5) Any student who does not receive registration materials by mail may report to the Graduate Office during the week prior to registration, from 8:00 a.m. to 4:00 p.m., to clear his admission or readmission and to secure registration materials.

IMPORTANT: PERMANENT ID CARDS were issued to all students (full time and part time, day and evening) in the fall or the spring. *Students must obtain ID Cards before they will be permitted to enter the Registration Center.* The place where you are to report to have ID Cards made will be specified in the registration instructions which will accompany your registration materials.
